SmartHub is Here

Managing your account and paying online just became easier. Central Wisconsin Electric Cooperative's online bill payment system has a new look and a new name. Called SmartHub, it's a free app for computers and mobile devices that will make accessing your account information easier.

With SmartHub you'll be able to:

- Track Your Power Use
- Pay Your Bill Online
- Report an Outage
- Receive Outage Information

Members who already have an eBill account will be able to log in to SmartHub using their same user ID and password. If you are new to online account management, you will need

to sign up for SmartHub as a new user by following the SmartHub link at www.cwecoop.com. All you need is your account number, account holder's last name, and email address.

The mobile app is available for both android and iPhones. Simply look for SmartHub in the Apple Store or the Google Play Store.

Earth Day is April 22.

Give back to the environment by planting a deciduous tree near your home. Deciduous trees lose their leaves during the fall, allowing sunlight to warm your home. The extra shade during summer months will keep your home cooler and give your AC a much needed break.

Electric Line

Electric Line is published quarterly by Central Wisconsin Electric Cooperative. This publication is designed to provide information about the cooperative to our member-owners.
